ABOUT ME

Bachelor of Science in Information Technology student expected to graduate in September 2026, with experience in graphic design, UI/UX design, event coordination, and client communication. Creative, detail-oriented, and organized, with a passion for photography, marketing, and event management. Eager to learn, grow professionally, and contribute to a collaborative team.

WORK EXPERIENCE

Student Intern

Research, Development, and Extension Office

Cavite State University – Silang Campus
March 2026 - May 2026

- Prepared and managed official documents, including IMRaD manuscripts, letters, certifications, and administrative records while ensuring accuracy and proper documentation.
- Assisted in the front-end development of the One Tour: Tara Silang mobile application and collaborated with the development team to improve its functionality and user experience.
- Presented the One Tour: Tara Silang mobile application to the Tourism Council of Silang, Cavite, and coordinated with clients, faculty members, and stakeholders throughout project activities.
- Collaborated with faculty members and fellow interns to support academic, research, and administrative initiatives.

Resource Speaker and Training Facilitator

Community Extension Program

Cavite State University – Silang Campus
December 2024

- Served as a resource speaker during a university community extension program on Microsoft Office.
- Conducted a presentation on the basic features and functions of Microsoft Word and demonstrated its practical applications.
- Facilitated hands-on learning activities and provided guidance and support to participants throughout the program.

CREATIVE EXPERIENCE

- Designed promotional posters, brochures, certificates, presentation materials, and social media graphics for academic and organizational events.
- Assisted in planning, organizing, and promoting school events while collaborating with teams to ensure the successful execution of activities and campaigns.
- Maintained a personal photography Instagram portfolio showcasing creative and event photography, and assisted in the production of a music video and short film by capturing behind-the-scenes (BTS) photos and supporting the production team.
